CEI Membership and Donations Become a Canadian Earth Institute Member or Donor!

Membership dues and donations provide funds to support the work of CEI, which involves person to-person outreach by volunteers with the support of a small staff. Individual contributions from members cover about a third of CEI's operating expenses.

But the most important reason for contributing to CEI is the satisfaction of knowing that **each member and donor is taking an active step to help the Earth.**

In a world suddenly coming awake to the impact of consumption lifestyles, CEI courses offer the support, encouragement and accountability necessary to make deep individual changes that give hope to a new earth-friendly way of living. CEI courses go beyond just offering simple action steps – we foster the critical thinking needed for innovative solutions that move the human species towards cooperation with all other species and our continued evolution on earth.

Benefits of membership:

- receive updates on CEI programs and events
- receive CEI Annual Report and seasonal Newsletter, "Planet Care"
- participate in the CEI annual General Meeting
- elect the Board of Directors
- provide input as the vision for CEI continues to develop

YES! I want to become a CEI member and/or a donor!
